We give them back to you, O Lord, who first gave them to us; and as you did not lose them in the giving so we do not lose them in the return. Not as the world gives do you give O Lord. For what is yours is ours also, if we belong to you. Life is unending because love is undying and the boundaries of this life are but an horizon and an horizon is but the limit of our vision. Lift us up, strong Son of God, that we may see further. Strengthen our faith that we may see beyond the horizon. And while you prepare a place for us as you have promised, prepare us also for that happy place; that where you are we may be also, with those we have loved, forever.
