

## Work in Progress – New Reliquary for St Oliver

The picture shows the new reliquary for **St. Oliver Plunkett**, which is currently being crafted in Dublin. It is made of brass and, God willing, will be completed by the **middle of September**.

We warmly **thank all who have contributed so generously** towards this project. Your support is making it possible to give a worthy place of honour to our beloved Saint and Martyr.

As a **native of Oldcastle**, St Oliver holds a very special place in the heart of our parish. This reliquary will stand as a sign of our faith and pride in his witness as we celebrate the 400th year since his birth and his canonisation in Rome 50th years ago.

For anyone who may still wish to be associated with the reliquary project, your contribution would be most welcome and deeply appreciated. Please find an envelope in the church and put your name on it. Together, we are ensuring that St. Oliver's example of courage and fidelity to the faith will continue to inspire generations to come.
