

## Work in Progress – New Reliquary for St Oliver's Femur bone.

The picture shows the new reliquary for **St. Oliver**, which is currently being crafted in Dublin. It is made of brass and, God willing, will be completed by the **end of this month**.

We warmly **thank all who have contributed so generously** towards this project. For anyone who may still wish to be associated with the reliquary project, your contribution would be most welcome and deeply appreciated. Please find the special envelopes in the church and put your name on it. Together, we are ensuring that St. Oliver's example of courage and fidelity to the faith will continue to inspire generations to come.

**The Sacrament of Confirmation**  
will be administered on  
**Thurs 12th Feb 2026.**  
Registration will open this  
coming week.

**Oldcastle Meals on Wheels** will be holding a Church Gate Collection this weekend at Oldcastle, Moylagh and Ballinacree. Funds raised will be used to subsidise the cost of dinners which are delivered by volunteers to the elderly and the vulnerable in our community.  
**Thank you** to all who support our fundraising !
