

A message from Pope Leo for World Mission Sunday....

Your prayers, your support will help spread the Gospel, provide for pastoral and catechetical programs, help to build new churches, and care for the health and educational needs of our brothers and sisters in mission territories. This October 19th, as we reflect together on our baptismal call to be "missionaries of hope among the peoples," let us commit ourselves anew to the sweet and joyful task of bringing Christ Jesus our Hope to the ends of the earth. Thank you for everything you will do to help me help missionaries throughout the world. God bless you all!

On Mission Sunday we pray for those working to spread the Gospel to the furthest ends of the world. Let's pray also for those who are and will be called to proclaim the Good News of God's love as diocesan priests.

New Reliquary for St Oliver (Pictured)

The new reliquary for St Oliver's femur bone has now been beautifully crafted in Dublin. It is made of brass, the centre is glass and it has arrived safely in Oldcastle.

In a formal ceremony, Bishop Deenihan will oversee the transfer of the relic to its new home. He will break the seals of the old shrine, examine the relic, and reverently seal it once more within the new reliquary. We warmly thank all who have contributed so generously towards this project. For anyone who may still wish to be associated with the reliquary project, your contribution would be most welcome and deeply appreciated. Special envelopes are available in the church; please write your name on them. Together, we are ensuring that St Oliver's witness of courage and fidelity to the faith will continue to inspire generations to come.
